And by having access to our ebooks online or by storing it on your computer, you have convenient answers with boston asw 650 manual . To get started finding boston asw 650 manual , you are right to find our website which has a comprehensive collection of manuals listed.

Our library is the biggest of these that have literally hundreds of thousands of different products represented.

Book Descriptions:

boston asw 650 manual

To reduce the risk of fire or electrical shock, This symbol found on the apparatus indicates hazards arising from dangerous voltages. This symbol found on the apparatus indicates the user should read all safety statements found in the user This symbol found on the apparatus indicates that manual. The A Series subwoofers incorporate highquality components that produce the legendary Boston Sound. The subwoofers are ideally suited for use in a highquality 5.1 channel home theater or stereo music system. Be sure to keep your purchase receipt in a safe place, as it may be required for warranty purposes. ASW 650 and ASW 250 subwoofers Placement Options Place the subwoofer next to a wall or in a corner near your main speakers. The sound is typically best when the subwoofer is within 15 feet 4.5m of the main speakers. NOTE Power is always supplied to the subwoofer electronics unless it is unplugged or switched to the Mute position using the Audio On switch located on the rear panel. The autoon circuitry only activates or deactivates the power amplifier. Make sure your subwoofer and receiver are unplugged when making the connection All models include a main power switch which turns off all power to the subwoofer. Use a stereo RCA cable not included to connect the preamp outputs to the "L" and "R" Line Level inputs. Adjusting the Crossover Control When using the Line Level inputs not the LFE input the subwoofer's builtin crossover is engaged. The warranty period for the electrical components is 1 year. Los subwoofers Serie A incorporan componentes de alta calidad que producen el legendario sonido de Boston.
