Check that you've not exceeded the limits. We recommend that you place your BT6500 at least one metre away from electrical appliances or metal obstructions to avoid any risk of interference. If you have another network provider please check the prefix number with them, see page 73. In order to send and receive text messages you must not withhold your number. Using an unauthorised power supply will invalidate your guarantee and may damage the phone. We recommend that you unplug the power and telephone line cord during an electrical storm. Please remember to include all parts, including the line cords, power supply units and the original batteries. Mobile and international call costs may vary. Ask your question here. Provide a clear and comprehensive description of the issue and your question. The more detail you provide for your issue and question, the easier it will be for other BT 6500 owners to properly answer your question. Ask a question About the BT 6500 Do you have a question about the BT 6500 or do you need help. Ask your question here BT 6500 specifications Brand ManualSearcher.com ensures that you will find the manual you are looking for in no time. This new interactive user guide lets you navigate easily through the pages and allows you to be directed straight to any websites. It's a handy way of avoiding those tiresome sales calls. You also get an answering machine and a display that can show you who's calling. BT 6500 Nuisance call blocker It's a handy way of avoiding those tiresome sales calls. You also get an answering machine and a display that can show you who's calling. You also get an answering machine on which you can record your own greeting, but only if you want to. And it's really easy to block calls you don't want to take, like unwanted sales calls. For example, you can block calls starting with 0845 or 0871. When set up, this can mean you only get calls from people you want to hear from. And if you don't want any calls at all, you can switch on Do Not Disturb so the phone doesn't ring. Check your call package for details.
